

Workshop Schedule November 5th – 7th 2015

Thursday 5th November

Workshop: Climate Change Adaptation in Post-Disaster Recovery Processes

Location: Geography, Earth Science and Environment Conference Room, University of the South Pacific, Laucala Campus

8:45am	<i>Welcome tea/coffee</i>
9:00am	Project Overview: Climate Change Adaptation in Post-Disaster Recovery Processes: Flood-Affected Communities in Cambodia and Fiji (Andreas Neef)
9:15am	Project Overview: The Role of Geospatial Information for Assessing Environmental Livelihood Security in the South Pacific (Eleanor Bruce)
9:30am	Researcher introductions
10:30am	<i>Morning tea</i>
10:45am	Review of field activities – key issues arising
12:00pm	APN Work Packages - brief overviews
12:30pm	<i>Lunch</i>
1:15pm	Development of methodological framework Breakout groups – Social Sciences & Natural Sciences
3:15pm	Depart for SPC visit
4:30pm	Return to USP - <i>Afternoon tea</i>
5:00pm	Discussion summaries and round table feedback on breakout groups

Friday 6th November

Workshop: Geospatial information for assessing ELS

Location: Geography, Earth Science and Environment Conference Room, University of the South Pacific, Laucala Campus

- 9:00am ELS Introduction (Ellie Biggs)
- 9:20am Brief summary of EU EO products, program initiatives and opportunities (Heather Price)
- 9:40am Key climate impacted inter-sectorial issues overview (Discussant: Bryan Boruff)
- 10:30am *Morning tea*
- 11:00am ELS Indicators measurable from EO data – Breakout groups (Livelihoods, Coastal Environments & Agricultural/Catchment)
- 1:00pm *Lunch*
- 2:00pm Challenges in deriving remotely sensed metrics for monitoring ELS progress – open discussion
- 3:00pm Potential case study sites (Nathan Wales and Eberhard Weber)
- 3:30pm *Afternoon tea*
- 4:00pm Focus groups: case study indicators
- 5:00pm Quantitative/qualitative geospatial information requirements for monitoring ELS (Discussant: Floris van Ogtrop)

Saturday 7th November

Location: Geography, Earth Science and Environment Conference Room, University of the South Pacific, Laucala Campus

8:30am – 12:30pm

External funding opportunities and directions for establishing long-term multidisciplinary research partnerships with regional stakeholders to pursue the ELS research agenda

Frontiers in Environmental Sciences and other publication options

APN/PACE-Net Participants

Andreas Neef	Bryan Boruff
Eleanor Bruce	Heather Price
Floris van Ogtrop	Julia Horsley
Nathan Wales	Kellie McNeill
Eberhard Weber	Jeffrey Smith
Ellie Biggs	Alejandro Acosta Carrizosa
	Wolf Forstreuter
